INTO THE WOODS

THE ART SHOW AT FARMBOROUGH

From 1pm - Thursday 3rd December

This Thursday, students at Farmborough Road Public School will be participating in our first 'Into the Woods' art trail. Students have been working hard on various pieces of art to form part of this special event. Students and staff will weave into and out of classrooms, gardens and pathways, viewing all the fantastic creations around the school.

Parents are encouraged to view your child's classroom artwork at:

<https://sites.google.com/education.nsw.gov.au/frps-art-show-2020/home>

or follow the link via our Facebook page, SchoolStream notification or school website.

All artwork completed by the students is for sale! For just \$15, you can get this special keepsake framed - ready to put on your wall. For just \$2, you can purchase the artwork mounted on black cardboard.

Complete the order form below and return to the Office by Friday 11th December.

Our Art Show will conclude with a sausage sizzle, raffle prize draws, and 'Best In Show' prizes for each class.

Stay tuned for more information on LiveStream and videos of this event.
