Year 5/6 Canberra Camp

31.08.21

Dear Parents/ Carers and Year 5/6 students,

It is with great regret that we have had to make the decision to cancel our Year 5/6 camp next term. Our school is currently in Level 4 Department of Education Restrictions. Overnight camps, especially outside our state, would not be allowed unless our school returns to Level 1 Restrictions, and this is highly unlikely this year.

We know this is very disappointing, and we haven't taken this decision lightly, but we need to make the call now, in order to ensure we don't lose our deposit.

We will endeavour to do something special for our Year 6 students later this year, once restrictions begin to ease.

You will have the option for a full refund of monies paid to date (Year 5 and 6 students), or you may choose to keep these monies as a credit against your child's account (for Year 5 students only). These funds can then be used for any family member for any future school-based activity.

Please call the Office on 4271 1133 to indicate your preference.

Thank you for your understanding.

Regards

Michelle Wells
