

Farmborough Road PS

Reward systems Updated January 2021

PBL tokens

These tokens encourage our students to work together towards a whole school reward for positive behaviour.

- *All staff (teachers, admin, SLSOs) will hand out unlimited PBL tokens as fast and frequent feedback to students for demonstrating the 3 positive values of Respect, Responsibility and Safety. These are given in all areas of the school.*
- *Students place tokens with their name and class on the back, in their class box after each break.*
- *Each week, one token (support classes) or two tokens (mainstream classes) will be drawn from each class box. These students will select a gift from the gift box following the weekly draw.*
- *The Token boxes will be emptied into Pacey's nesting box each Friday.*
- *Once these tokens reach the specified height in the nesting box, all students will receive a whole school reward (as agreed by staff and students). This may occur at various times throughout the year.*

Merit system

These awards encourage our students to strive for excellence in all of their learning. The awards will be given for students who challenge themselves and display effective learner qualities.

- *Merits awards (up to 10 per week mainstream/up to 3 per week support classes) will be awarded for positive behaviour, kindness, improvement, effort or application in any curriculum area in the classroom, by the class teacher.*
- *RFF and Library can award one merit per class per week.*
- *The Principal can award Principal Awards at their discretion.*
- *100% attendance awards will be handed out each term. These will count as merit awards.*
- *Students collect and present merits to the Principal before school, or during first lunch, when they are ready to receive their Bronze, Silver, Gold & Platinum.*

- *The Principal will track Bronze, silver, gold and platinum in the SENTRAL program. Teachers will also keep track of class merits in SENTRAL.*
- *The merit award system will begin anew at the beginning of each year.*
- *Awards will reset to zero at the beginning of each year.*
- *Farnborough Road Merits and other awards as outlined below will all add up to achieve their Bronze, Silver and Gold certificates as follows...*
