Chrissy Message...2015

It is hard to believe that another year is over and that school will be finishing this week for the Christmas holidays. My second year at Farmborough Road has certainly flown. It has been a very busy and productive year with many opportunities provided for students both within the classroom and in extra curricula activities. Our school has been very successful in sporting activities, public speaking and debating. Our students have performed well academically and have been wonderful ambassadors for public education when representing the school at community functions.

I see a bright future for this school and as we, the teachers, parents and student, plan for our next three years, I can feel a real excitement in the air. Look out 2016!

Visitors to our school often say that there is a "good feel to Farmborough Road" and I believe it is the combined efforts of students, staff and parents that create this welcoming environment. I say we are the best school on the south coast!

I would like to thank all the teaching staff for a wonderful year and recognise the outstanding job that they do. We are fare welling three staff members this year. Mr Morris will leave us after a great semester and we thank him for all the positive contributions he has made to the school. We wish him well at Minnamurra PS next year. Miss Shirlaw also came to us this semester and she has fitted like a glove, she is off to Bondi next year to take up a permanent position and we wish her well and finally Mrs Beaumont will commence her permanent position at Hayes Park next year. I would like to thank her for all she has done for the school during her year with us.

On behalf of the Staff and myself I would like to wish you a very Merry Christmas and Happy New Year.

See you around the playground in 2016!

Pam Grosse

Principal

Swimming Carnival 2016...

The swimming carnival will be held on Friday 29th January. This is the first Friday back at school. This event is for all students who turn 8 years or older in 2016. Traditionally only students who could swim attended but we have a new and better format this year. We will have aided races where students who are not good or strong swimmers can still attend and fully participate. This is a normal school day and we expect all students to attend. It is going to be a great day! Please download your note from the App or website.
