Sydney Writers Festival!

We will be taking a group of interested writers (30) to this event again this year. Notes need to be back at school and handed in to Ms Suey and Mr Richardson. Both teachers have agreed to attend this event with the students this year. This is a fantastic opportunity and we can only take 30 so if your child has a note about this event get it back to us right away. We will be backfilling the spaces.

Black Shoes and school jumpers...Please!

Shoes... I did a uniform snap inspection last week and only half the school received merits, which was a bit disappointing. The uniform policy says 'Black Shoes'! We have every colour known to man coming to school at the minute. Parents, we ask for your support in getting students to wear

their black shoes. It is simple really...don't buy them coloured ones for school!

Jumpers... I know it is getting cold and the need to rug up is important. Please ensure that your children come to school with the school jumper on. We have several students coming to school in a variety of jumpers. Teachers send them up to the office to change the jumper into a school one, so please if your jumpers are not coming home get the children to check lost property or send them straight to the office and we will organise a jumper for them. We have a fantastic school uniform, our students look great in our uniform. Please ensure that they do their part and wear their uniform!

Semester 1 reports & Parent Teacher Meetings!

Reports for this semester will go home on Friday 5th June.

We have scheduled Parent Teacher meetings for Weeks 8, 9 and 10. You will receive more information on this closer to the date. These interviews are a very important part of our reporting schedule and we encourage all parents to make themselves available.

See you around the playground!

- See doctors and dentists after school times.

Friends are important.

Helping your child have a happy day at school is important for you and your child.
