Early Entry...Literacy!

On Wednesday 12th August at 2:20pm teachers will open their classrooms up to parents and family members who are invited to come along and see what students are doing in literacy learning. This will run for approximately 20 minutes. We will come up to the front of the school and remind parents and invite you in. Looking forward to seeing you on that afternoon.

Woolworths Earn & Learn!

When you shop at Woolies you will be offered stickers...please say yes to these and send them into school. The more we collect the more we can get from Modern Teaching Aids. This company has many great teaching aids that we can use these stickers to purchase. When I was at Corrimal Public School we got several maths kits and some great Lego robotics kits for the classrooms. So please tell all your Mums, Dads Nans and Pops that we need their help, shop at Woolies and save the stickers for us! Send them to school or there is a Farmborough Road box at the Unanderra Woolies!

Kinder 2016

We will host a night in the staffroom to chat to parents about things that they can do to start preparing their children for school. We will offer practical ideas and suggestions to make the transition to 'Big School' smoother for all. The session will commence at 6:30 and end at approximately 7:30.

See you around the playground!

P & C News

School Banking...

The P & C has been approached by a few parents to look into starting a school banking scheme for our students. The IMB have presented their proposal which would give each child a ZOO account that offers a range of features including a bonus \$5 deposit. Before committing the school, the P & C would like to know if you and your child would support this scheme. Please let us know at Reception or email frps-events@hotmail.com to register your interest!

*Our next P&C Meeting will be on
Tuesday 25th August at 7pm in the
staffroom. Hope to see you there!*

Student Absences...

It is very important that your child/ren attend school each and every day. It is equally important for your child/ren to arrive to school on time (prior to 9am) so they can settle in to class routines and begin their learning without any disruption. We ask that any appointments that may be needed are made outside of school hours to allow the child/ren to remain at school for the entire day. We understand that this may not always be possible! When your child/ren are absent from school we ask that you complete an absence slip and return it to the class teacher ASAP. More copies of these booklets are available from the office.

Birthdays...

**Congratulations to the following
students who will celebrate their
birthday this week:**

and we strive to wear it at ALL
times!! Could you please ensure
that your child/ren have a school
jumper available for them to wear
in these cold months.

Celebrate Attendance

Hints and Tips No. 5: Tips for Parents

Going to school is important. It makes learning
easier for your child and helps build and
maintain friendships with other children.

- Keep your child home only when they are sick.
- Advise the school of any absence.
- See doctors and dentists after school times.

Friends are important.

- Show an interest in your child's friends
- Invite friends to come and play
- Encourage your child to play with other children.

Helping your child have a happy day at school is
important for you and your child.

If you are having difficulties in getting your child to
school you should contact the principal as soon as
possible to discuss the problem and ask for help.

The principal may ask a Home School Liaison Officer
to contact you for further assistance and advice.
