Growth Mindset

When students believe they can get
smarter, they understand that effort makes
them stronger.

Our quote for Week 1 Term 4 is:

Welcome back...

Everyone has come back from holidays looking refreshed and ready to hit the ground running! We have a busy term ahead that includes the Silver Afternoon Teas, K-6 Presentation Day, GOLD Reward Day and Year 6 Farewell just to name a few. Keep an eye out in the newsletter for more info. All term dates are available on the website and notes can be downloaded and returned via email. Keep an eye on the School App for updates and notes. Also if you are not yet a friend of ours on Facebook, please add us to your list.

Lock out...

We currently have some students who require additional support in settling into school for this term so until further notice the school gates will be locked again from 9:15am until 2:45 pm each day. If you need access to the school please either ring the school phone number 42711133 or use the door bell we have installed when you reach the middle gate directly opposite the crossing. We will come up and let you in. We appreciate your support in keeping our students safe.

Doing Things Together Day!

On Thursday 18th October we will be holding a Math's DTTD. Our students are divided into groups and they will participate in a variety of math sessions around the school. The University of Wollongong are sending a team of students to provide some additional activities on the day. These are fantastic days where the students focus not only on math but also on the "Three C's" being considerate, collaborating with others and communicating. Parents are welcome to register to participate and form a team to participate.

Enrolments...

We are starting to look ahead to 2017. If you know anyone who is yet to enroll their child for Kinder please encourage them to do so as soon as possible to ensure they are able to attend our Kinder Orientation Sessions. Invitations were sent out to our new kinder's at the end of last term. Also, if you are moving out of the area and changing schools please send a message through to the office. This will enable us to determine class sizes and staffing to ensure a smooth start to 2017.

P&C Meeting Week 3...

Our first P&C Meeting of the term will be held on Tuesday 25th October at 7:00pm in the staffroom. As usual I will have the jug on and some nice biscuits to share. Looking forward to meeting with new members.

Silver Afternoon Tea...

Friday 14th October

I have handed out the invites today. If your child has been invited they are welcome to come in Mufti on that day. Only students with an invite can attend. We will be holding an afternoon tea nearly every week this term so no one will miss out.

See you around the playground!

There are so many opportunities in our everyday lives to show kindness and Christmas is a beautiful time to refresh our kindness repertoire. Each day choose something from the calendar below with your family and cross it off. Post your random acts of kindness on social media (#kindnesscalendar) to inspire others to join in.

Kindness impacts our community in profound ways and plants the seeds that will make our world a more positive place for everyone. Helping others increases personal energy, decreases stress and improves feelings of self worth... in short **KINDNESS MATTERS!**
