Student Representative Induction Assembly...

Thursday 25th February - 2-3pm.

The votes have been counted and the decisions are in. All Sports captains and vice captains, all class Student Representative Council members have been finalised, so on Thursday 25th February at the 2pm assembly, we will be presenting these students with their badges.

All students will need to say a pledge to the school and community to uphold the school values of **Responsibility**, **Excellence** and **Respect**. Parents of these students will be asked to sign with their children to say they will support them in fulfilling these important roles in our school. Please come along and celebrate with these students, they have been selected by their peers and this is a very great honour.

See you around the playground.

Celebrate Attendance

Hints and Tips No. 2: Teaching good habits

**It is important for parents to make attending
school a priority.**

Allowing children days off for birthdays, to look after younger children, to go shopping, to keep you company or because they were tired from a late night, not only sends the wrong message to your child, it is also against the law.

Children who get used to having days off school for these kinds of reasons develop an attitude that their attendance at school is not very important. This can become a big issue as a child gets older.

Teach your children that being on time is important. Children that are often late to school miss the part of the school day when the teacher explains new activities. The beginning of the day is also when many students are freshest and can concentrate better.

Students that are late on a regular basis may become the target for comment by other students and often as a result isolate themselves from their peers.
