Dear Parents,

This year we are once again offering our students the opportunity to take part in the Australasian Schools Competitions run by the University of New South Wales Educational Testing Centre. This year, students in Years Two to Six have the opportunity to enter the Science, English, Writing and/or Mathematics competitions. These competitions are completely voluntary and there is a cost associated with each competition entered. Please read the note attached to the newsletter and return notes and payment by April 7th. Notes are also available on the school website on the Notes/Competitions section.

Regards
