### ***This Week...***

We have a huge week this week with Life Education for all students K-6 participating.

Year 5 have 8 students going off to ISHS for some fun science activities and on Thursday our Sports leaders will go there for the Premiers Sports Leadership Day.

Some 40 students will travel to Sydney on Friday to attend the Sydney Writers Festival. This is a fantastic opportunity for these budding writers. They will be accompanied by Ms Lyons and Mr Poole.

### ***Friday is National Walk to school day!***

*We'd like to build our insights into how children are currently getting to school and how they would actually like to get to school. This is a national survey and we are looking for as many responses as we can so we can get solid data that will give insights to governments of all levels.*

### ***School Uniform...***

Our school uniform is one of the best in the Illawarra and as a school we appreciate the parent support in helping us to look so good. We have a few girls at the minute who are wearing the short bike shorts to school with just their school shirts. These are meant to be worn under the skirt. They are very brief when worn by themselves. We would appreciate your support in rectifying this matter.

On another note...How good are our new school hats? Everyone loves them and more importantly the students love to wear them. Well done to last year's SRC and Mairead for leading the way.

### ***Head Lice...again!***

I know it happens every year but head lice season is here again. Please ensure you take the time to check your children's head and treat if necessary. With the windy months coming it is perfect conditions to blow these little pests around. Shampoo can be purchased from Woolies or Coles and remember you need to treat bed linen and towels as well.

***See you round the playground!***

## Library...

It is great to see so many of our library books being borrowed and returned by students each week. This does create a big job in getting these books back on the shelves. If you are able to volunteer some of your time on a Wednesday or Friday afternoon (half an hour before picking up your child/ren) please see Hayley in the office.

## What's happening at your local high school

### Illawarra Sports High

This week our fantastic SRC school leadership executive team (Kyle Hardie-school captain, Jaime Sherrif-school captain, Kasey Fraser-vice captain, Melissa Kisela-vice captain) visited Wollongong City Council to have a meeting with Wollongong Lord Mayor, Gordon Bradberry. The mayor was interested to hear our students' opinions on issues affecting local youth and how the city of Wollongong could be further improved in the future. As always they were exemplary representatives of our school.

Next week we are looking forward to hosting the 5 by 5 science challenge at ISHS
