TUESDAYS

Term 3...

Welcome back Students, Staff, Parents and Carers.

I hope you all had a wonderful two week break with your families and friends. It's great to see you all refreshed and smiling and ready for another great term at Farmborough Road.

Lots of exciting things happening!

'MOONHACK' - An opportunity to be involved in attempting to break a world record with the most students 'coding' at the same time. This is happening in Ms. Suey's room at lunch time tomorrow.

Our sensational choir will perform next week at the Choral Music Festival. You can purchase your tickets from the office. Please come along and support our students at this exciting event.

District Athletics Carnival – will be held on the 4th and 5th August. Notes are available on the App and our Website with more information.

Absences - Please ensure that absence notes are provided when your child/ren have any days off school. This is a requirement by law. If an absence note is not received within a week of an absence, a letter will be sent home asking for an explanation. This can then be handed in to the office or class teacher.

Absence booklets are available from the office.

Have a great week!

See you around the playground.

Pam Grosse
Principal

This weeks assembly is for K-6
Presented by Myaree

Moonhack...

Wednesday July 20th is the anniversary of the moon landing of 1969. To commemorate this event, some students will be participating in a world record event to have the most number of kids coding at the same time. *Coding* is what makes it possible for us to create computer software, apps and websites. It is a digital form of language. This event is open to all students but they must have an account with a web-based software format called Scratch at <https://scratch.mit.edu/> Students from year 3 to 6 are welcome to visit Giralang at lunch time on Wednesday to see coding in action. If students wish to participate, parents must open an account for them and students must be able to access this account by themselves.

See further information and registration details at:

Ms Suey
