## The simplest way

...to learn more about Fruit & Veg

Do you need help encouraging your kids to eat fruit and veg?

*Eat It To Beat It* is Cancer Council NSW's nutrition program. It helps make eating fruit and veg easy, cheap and fun.

Eating the right amount of fruit and veg is the crucial in the fight against cancer, but we all know it can be hard to get the family eating healthily.

Cancer Council NSW is offering *Fruit & Veg Sense*: a free 90 minute session that will give you a range of ideas to deal with fussy eaters, plus provide you with a free recipe book packed with Cancer Council approved meals.

This program helps busy parents make simple changes to make the whole family healthier.

If you're interested in attending a session at Illawarra Sports High School contact Carrin Dimilia on 4271 1099.
