Education Week Assembly... Public Speaking!

It is Education Week early next term and we are planning some special activities for everyone....
Public Speaking... Students will need to prepare a speech during the holidays to present early next term. All the information can be found on the App or on the website. Finals in all grades will occur during the first two weeks of term with grade winners to present at the Education Week Assembly in Week 3. Families of winners will receive an invite to the assembly. I am really looking forward to seeing and hearing our finalists. Stage finalists of the Public Speaking will be selected to represent our school at the Community of School assembly to be held at the Illawarra Sports High School on the Thursday 10th August.

Help needed...School Uniform!

The colder weather has seen an increase on second hand school uniforms required by students. If you have any uniforms that your children have grown out of and that you no longer require could you please send them into school. Any donations to our clothing pool are gratefully accepted.

Kinder 2018 & Enrolments...

We are starting to look ahead to 2018. If you know anyone who is yet to enrol their child for Kinder please encourage them to do so as soon as possible to ensure they are able to attend our Kinder Orientation Sessions. Also, if you are moving out of the area and changing schools please send a message through to the office. This will enable us to determine class sizes and staffing to ensure a smooth start to 2018.

School Holidays...

We are coming to the end of another busy term here at FRPS. The students and teachers have worked really hard and are in need of a nice sleep in and some quiet peaceful rest. The last day of term 2 is Friday 30th June and we are expecting to see the students lovely faces back here on Tuesday 18th July. Teachers return on Monday 17th July for some professional learning. Enjoy your break!

See you round the playground in Term 3!

\$100 REBATE TO COVER CHILDREN'S SPORTS FEES

As part of the 2017-18 Budget I am pleased to advise that the NSW Government has launched the '**Active Kids Rebate**'.

This program will provide a \$100 rebate towards sporting fees and registration costs for each school-aged child in NSW. The health of our children is a priority for me and every parent. I hope this rebate makes a difference to enable parents to enrol their child in the sport of their choice.

Families will be able to claim the rebate on items such as sports registration and membership costs, as well as swimming lesson fees.

The annual rebate **will not be means tested** because the NSW Government wants every child from every family to get involved and get active. The rebate will be available for every school child wanting to get involved in community sport and fitness. Parents will be able to claim up to \$100 per school child, per calendar year, as a voucher to reduce the cost of sport registration or membership for after-school and weekend sport, and active recreation activities.

A comprehensive list of eligible sports and activities will be finalised following community consultation ahead of the start date early next year, to allow providers to register with the NSW Office for Sport.

More details are available on the NSW Office of Sport website <https://sport.nsw.gov.au/>.
