Student Absences...

Daily school attendance is important for all children and young people to succeed in education and to ensure they don't fall behind both socially and developmentally.

When it is necessary for your child/ren to be absent from school, a valid explanation is required by law within 7 days. Please see us in the office for a booklet of absent notes if you require some. ***We ask that all absent notes be handed directly to the class teacher so they can keep their record as up to date as possible.***

All unexplained absences will be marked as unjustified on our school system. If you are planning to go on a holiday during the school term please see us in the office to complete and 'Application for Extended Leave'. This will be given to Mrs Grosse for approval.

Athletics Carnival

Our annual Athletics Carnival will be held next week on **Monday, 4th June** from 12pm to 3pm. It will be track events only. Field events will be held in Week 8. This is a fun event and all students are expected to participate. House colours can be worn on the day and we invite all parents/carers and family to come along and support their child/children in this event.

Time to Warm Up!

For just a gold coin donation we are encouraging all students to wear a beanie or scarf on **Wednesday, 6th June**. Not only will it keep you warm, but it's for a great cause! This fundraiser by the SRC will support homeless programs in the Illawarra.

The Fathering Project

The impact of a good dad will benefit the wellbeing of his kids today and tomorrow. A primary male influence may not be present in a child's life or may not necessarily be their actual father, so it may be a step-dad, uncle, grandfather or someone otherwise connected with their family. We encourage anyone who sees themselves as a 'father figure' to become involved with The Fathering Project. Please see attached invitation for more information and to attend our school's "Fathering Project Dads Group" introduction evening on **Monday, 4th June 2018**.

Head Lice...

There have been a few cases of head lice throughout the school. We ask that your child's hair be checked regularly and treated when necessary. Thank you for your cooperation.

Enrolments

We are looking ahead to 2019 and are taking enrolments for Kindergarten. If you know anyone who is planning to enrol their child for Kinder please encourage them to do so. Please see us in the office for an enrolment pack.

You are invited to a fantastic opportunity for dads and father figures from our school to meet up, chat and hear about the benefits of starting a

Fathering Project Dads' Group

Dear Dads and Father Figures,

I, along with our school, would like to invite you to attend our school's "*Fathering Project Dads Group*" introduction evening.

This will be an informal but informative event just for Dads and Father Figures to attend that will provide you with some information about what The Fathering Project is, what they think are important things about being a Dad and how they can help you and the other Dads in starting a "Dads" group at our school.

This will give you more opportunities to have fun, be part of a supportive network and build an even stronger school community.

The Fathering Project will share a presentation with you and the other fathers and father figures so you can meet, talk, share and support each other in starting a group and helping you to be the Best Dad you can be.

It would be great if you could come along and I hope you will learn some interesting ideas about being a Dad, talk about the exciting things we can do together and how you and the other Dads can have fun and help the school.

We will be providing PIZZA and DRINKS for dinner before the presentation.

If you can come along, please contact Ashley Haines at Ashley.haines1@det.nsw.edu.au and let him know you can make it.

From,
Ashley Haines
